Matawa Mixers!

At YMCA Camp Matawa, we know that our camp families are our best advertisers! We want to help you share the positive Matawa experience with your friends and family. One tool for doing that is hosting a Matawa Mixer. Hosting a Mixer is as easy as one, two, three! 1. Pick the location and date (usually your home, but camp or other locations work well, too!). 2. Invite families who you think might be interested in learning more about Matawa and meeting some of the great camp staff! 3. On the night of the Mixer, share why you love camp! We will take care of the rest! Camp staff do all of the prep work, even providing paper or electronic emails for you to share. We are also on hand to show our DVD and answer any questions kids or parents have about camp. Contact [Annie](#) at 262.626.2149 x6209 if you are interested in hosting a Matawa Mixer or helping spread the word about camp in another way!

Calling All Alumni

Katie Dorschner, who has spent the past 13 summers at YMCA Camp Matawa as either a camper or staff member, is now spending the year as our AmeriCorps Representative. Since 2004, Katie has served camp as a Counselor, CIT/LIT Director and Trekker Village Director. Currently, she is leading our efforts to reconnect with our alumni. Using Facebook and seasonal newsletters, we will be informing alumni of the happenings at camp as well as the events in other alum's lives! As our camp is growing it will be a great way for people to stay in contact with their camp and also those who have experienced the Matawa Magic with them. If you are a Matawa alum, please visit our website and fill out the appropriate information to start receiving more information! <http://www.matawa.org/Alumni.php>
