### Winter LIT Weekend

December 4-6 is the highly anticipated LIT Winter Weekend! Campers who participated in LIT I or II last summer or who will be LITs in 2010 are invited to join us! The LITs will participate in teambuilding, finish up the service projects from the summer and start learning skills

that will make them more successful next summer! Most importantly, they will have the opportunity to reconnect with camp friends and meet other LITs who are here during different sessions of the summer! If your camper will be an LIT this summer and is not yet registered, please let me know so we can continue to involve them in the year round events! Keep in mind that these programs will fill up early in 2010, so please register soon!

Check In: Friday, 7:30pm, Check Out: Sunday, 10:30am  
There is no cost for this weekend at camp.

Our LITs will be making calls on behalf of our Strong Kids Campaign this weekend! Please help us give the gift of camp to those unable to pay in full by giving generously during this holiday season!

### Give the Gift of Camp

The Holiday season is quickly approaching. Have you thought of giving the gift of camp this year?

Sign up for camp between now and December 14th and we'll send you a camp t-shirt and certificate for your enrolled session. With our flexible payment plans you can spread out the cost of camp between now and the start of summer.

Check out our website for more details of this [special offer](#).

### What do camp and going out for dinner have in common?

Camp is a great opportunity for your child to be a kid again. As one parent said this summer

*"My son loved camp the first week so much, he called and asked to stay an additional week! He enjoyed the other kids, the activities, and the overall "*

For less than the cost of one dinner out a month for a family of four you can send your child to camp next summer and give them an experience that will last a lifetime!
