### CHOOSE THE PRICE TIER YOU CAN BEST AFFORD

We understand that different families have differing abilities to pay, so we use three pricing levels to better accommodate all financial needs. Please consider selecting the highest tier you can afford to allow YMCA Camp Matawa to best stretch our funding and continue to improve the quality of each camper's experience.

- **Price A** reflects the full cost of camp.
- **Price B** is our subsidized rate for families finding the full cost out of their reach.
- **Price C** is further reduced for those families that find themselves in greater need this year.

Our Tiered Pricing Program **in no way influences the experience your children will receive!** Simply pick the fee that matches the needs of your family; no proof of income is required.

# You don't have to wait until next summer to come back to Matawa! Check out these great year round programs!
