### Spots still available in Specialty Camps

**Gone Fishin'** is perfect for kids who love to fish, but also want to experience other parts of camp! This year, in addition to the great fishing **Gone Fishin'** campers have come to expect, we will also be learning about fly fishing! The whole week will culminate in a charter boat trip to Lake Michigan! **Register Now!** **There are only four spots remaining!**

### 2009 Recruiter Chairs

**Don't forget:** If you recruit a friend to share the Spirit of Matawa with you for a week or longer at Resident Camp, you'll take home one of our great Recruiter Camping chairs! Looking for ideas on how to recruit friends? Email Annie at [ahernandez@ymcamke.org](mailto:ahernandez@ymcamke.org).

**Soccer Camp** is all new this year! Camp Matawa has teamed up with Premier Soccer Systems to bring a traditional soccer camp with a real kick! Spend the morning with Nationally Licensed USSF and NSCAA coaches to work on a variety of skills while engaging in fun and competitive play. Then, in the afternoon, choose another camp activity and enjoy Free Choice and cabin time with all the friends you'll make!

### Upcoming Family Programs:

#### Family Camp

Memorial Day Weekend: May 22-25

Labor Day Weekend: September 4-7

*Only 6 Upper Cabin sides available for each!*

**Grandparent Camp** May 15-16, 2009

**Mother Daughter Weekend** June 5-7

**Father Son Weekend** June 12-14

**Parent Child Weekend** September 18-20

For more information on any of these family programs, please visit our website at [www.matawa.org](http://www.matawa.org) or give us a call at 262.626.2149!

**Ropes Challenge** incorporates Low Ropes, the Climbing Wall and the Alpine Tower for a fun and exciting week! Campers will learn knots, climbing techniques, how to belay, use and care of equipment, and so much more! Each activity puts an emphasis on safety, teamwork, self confidence and fun! Ropes campers will climb more and use elements of the tower reserved just for this week!

**Toolin' It** is a manufacturing camp designed just for teens! Each day, campers will travel to Moraine Park Technical College's Applied Manufacturing Center where they will get hands on experience designing and producing a product from start to finish! Topics include 3-D design, computer numerical control programming, welding, machining, and much more! All activities emphasize problem solving and teambuilding.

### Buy a Brick

If you ordered a Brick for the Camp Matawa fire ring last summer, it has arrived! If you haven't ordered a brick yet, don't miss this opportunity to leave a mark on Camp Matawa, literally! For \$100, you can leave a 36 character message with your family's name or your favorite camp memory! [Click here for the form!](#)
